21st Century Asphalt Pavements: Value, Quality, and Performance

It goes beyond dollars – show me the value!

Today’s contractors and agencies are called on to meet customers’ needs at minimum cost while delivering high-quality pavements that will perform well for many years.

Participants in this conference will learn how to incorporate sustainability into projects economically using warm-mix asphalt (WMA), reclaimed asphalt pavements (RAP), recycled asphalt shingles (RAS), thin overlays, and porous asphalt. Presentations will also cover how to set specification limits, how to use quality assurance, when and where to use modified binders, and how to construct longitudinal joints to assure value and performance. Also included will be a session on Perpetual Pavements, the most cost-effective pavements over the long term.

*Exhibitor fee is in addition to the conference registration fee.

Optional Free Tour at Liberty Tire Recycling, LLC with lunch and transportation provided—must be pre-registered to attend.

CANCELLATION POLICY
Registration fees less 15 percent handling charges will be refunded if a cancellation request is received in writing at NAPA on or before November 21. There are no refunds after November 21. Individuals are not registered until payment is received. If you have correctly registered, you will receive a confirmation email from NAPA headquarters.

WHO SHOULD ATTEND
This conference is designed for paving professionals including contractors, agencies/owners, and consultants. Engineers, construction managers, project superintendents, inspectors, QC/QA technicians/managers, and others involved in the design, construction, and maintenance processes will benefit.

The topics of the conference will provide participants with tools, best practices, and innovations they need to build sustainable pavements and sustainable businesses. Further, the conference will showcase options that are unique to asphalt.

ROUND TABLE FORMAT
We will start each session with a group of industry speakers addressing common issues within the specific subject matter in Superior Performance: Versatility and Innovations, Quality in Asphalt Pavements, and Providing Value through Pavement Design. You will then have the opportunity to discuss and develop questions in your roundtable groups that the speaker panel, or perhaps your fellow attendees, will answer. Finally, there will be an open forum to address each of the collective group questions.

21st Century Asphalt Pavements
Value, Quality, and Performance

December 5-6, 2012
Salt Lake City, Utah
Sheraton Salt Lake City Hotel

Register online: www.asphaltpavement.org/21stcentury

The conference registration fee includes a full day of sessions on Wednesday, Dec. 5 and half day of sessions on Thursday, Dec. 6. Also covered are breakfast on both mornings, the luncheon and reception on Dec. 5, and coffee breaks each day.
Superior Performance: Versatility and Quality in Asphalt Pavements

Providing Value Through Pavement Design

SPONSORSHIP OPPORTUNITIES

Put your company name and logo on a sponsorship item or inclusion of the conference for PDHs earned.

1.00 – 1:30 pm Testing Asphalt Mixtures: Set-up, Frequency, and Dealing with Variability

1.30 – 2:00 pm Quality Assurance for Asphalt Mixtures: Agency Perspective

2:00 – 2:30 pm Engineered Asphalt Binders: Types and Selection Process

2:30 – 3:00 pm Using Rubber in Asphalt Pavements: What You Need to Know

3:00 – 3:30 pm Break

3:30 – 4:00 pm Longitudinal Joint Construction – What is Achievable?

4:00 – 4:15 pm Roundtable Question Submittal

4:15 – 5:00 pm Panel Discussion

5:00 – 6:30 pm Networking Reception

For more information, contact the NAPA Meetings Department by phone at (888) 468-6499 or by email:
- Nancy Lawler, Vice President – Convention & Meetings, nlawler@asphaltpavement.org
- Sandy Lucchesi, Manager – Convention & Meetings, slucchesi@asphaltpavement.org

To reserve a room, call the hotel directly at (801) 401-2000 and mention the National Asphalt Pavement Association to receive the discounted room rates. Reservations can also be made online at www.asphaltpavement.org/21stcentury. Group rates are available until November 13, or until the block is full.

The Sheraton Salt Lake City is conveniently located just eight miles from the Salt Lake City International Airport (SLC).
